I authorize the release of medical and personal information which may include but is not limited to; processing of medical claims and referring to other physicians. I also authorize payment of medical benefits to the physician.

Signature _______________________________ Date ____________________

Payment is required for all services at the time they are rendered, this may include but not be limited to a co-payment, co-insurance, or your bill in full if your insurance is one we don't file.

Your signature below signifies your understanding and willingness to comply with this policy.

I agree to indemnify, defend and hold Atlantic Dermatology Associates, P.A. harmless from any loss, damages, costs, or expenses in connection with false insurance information provided by patient.

Office Policies

APPOINTMENTS: Patients are seen by appointment. For urgent and acute situations we often schedule "work-in" appointments. Work in appointments are made to address one acute problem only so that patients with scheduled appointments are not kept waiting. Except in emergencies, patients with scheduled appointments will be seen before "work-in" patients.

We work very hard to keep our appointment schedule. However, because we see emergencies in the office there will inevitably be delays. We apologize in advance.

We will call to confirm most appointments two days in advance. If you are more than 15 minutes late by our clock, you will be asked to reschedule your appointment. Cancellations must be made 24 hours prior to your appointment. **We charge $25.00 for missed appointments.**

SOCIAL SECURITY NUMBERS: We handle patient's social security numbers and personal information in a confidential manner but we may release personal and medical information to another doctor's office in the event of a referral. We use social security numbers for insurance and billing purposes at Atlantic Dermatology Associates. This required information we ask from each of our patients.

INSURANCE: Insurance is a contract between you and your insurance company. We are actually not involved in that contract, therefore, we cannot become involved in disputes between you and your insurance company regarding deductibles, co-payments, labs, or other charges. Currently we file claims for BCBS plans that can be filed through NC, United Health Care, Medcost, Cigna, NCTA, and Aenta. For all other insurance, we will provide you with the required information so you can file your claim with your insurance company. If we are non-participating with your insurance plan, then you will be responsible for payment at the time the services are provided. If you have an insurance that has a co-payment, our office policy is to collect this before services are rendered. Also, if there is any change in your insurance carrier, it is your responsibility to inform us prior to your appointment.

You must have a current insurance card for us to file your insurance. If you do not have your card at the time of your appointment, you will be expected to pay in full if you wish to be seen, or your appointment can be rescheduled.

At Atlantic Dermatology Associates, P.A. we have opted out of Medicare, Champus, and Tricare which means we do not file them and you are unable to file to them for services received here. Patients who have Medicare, Champus, and Tricare as their primary insurance will not be reimbursed by them or other insurance. If at any point you receive Medicare, Champus, or Tricare we will still be glad to help you through your dermatology problems but please notify us, as these insurances request that a special form be filled out.

MINORS: All children under the age of 18 must be accompanied by a parent or guardian. If the parent or guardian is not present, the appointment will be rescheduled. Please do not leave children unattended in the waiting area.

PAYMENT: Payment is due from each patient at the time of service. We accept cash, check, VISA, and MasterCard. We do not bill parents or guardians not present in the office at the time of their appointment. Patients with co-pays, deductibles, percentages, etc are expected to pay at the time of their appointment. Simply put, payment of any portion of your bill that you are responsible for "out of pocket" is expected at the time of your appointment. There will be a $35.00 service fee on all returned checks.

PHONE CALLS: You may need to contact the office with questions. Most call may not be returned for up to several hours. Please provide a return phone number that can be reached for several hours, or provide additional phone numbers. In an emergency dial 911 first.

AFTER HOUR PROBLEMS: We are on call 24 hours a day, available only for urgent issues that cannot wait for the office to open the next business day. To contact us, please call the office number.

ACKNOWLEDGEMENT: I have read, understand, and agree to follow the above office policies.
